I have also added my comments. The attached file should have both mine and Ray's.

Best regards,

Stephen

Subject: Final call for changes to NISTIR

Everyone,

I've tried to incorporate in the suggestions received. On Monday I'm going to send the NISTIR out to Jim Foti, who will prepare it for publication. Matt has suggested that we put it out for 30 days of public comments. So, any last comments need to be given before Monday. Thanks! I appreciate all the help and input from everyone.

Dustin

Reminder – next Tuesday we meet with Michael Groves and Wednesday is our crypto club talk. Please send me your slides by the end of the day tomorrow (Friday). Thanks!
