Speaking of the comment period ending, we need to have a meeting to discuss the comments. From Sep 19-23, Lily, Yi-Kai, and myself will be at the ETSI workshop. I'd like to schedule a meeting on either Monday, Sep 26th, or Tuesday, Sep. 27th. It looks like that Tuesday is a big awards ceremony for the SHA-3 team which would impact Rene, Ray, and Lily. I don't know if Tuesday morning would work for them or not. Otherwise, is Monday okay for everyone?

Technically, we will begin the process of finalizing the draft requirements during this fiscal year since the comments period closes September 16 (IIRC). We might as well mention that?

Everyone,

As the fiscal year ends, we have to submit our write-up of the PQC project for the Annual Report.

I've attached a draft. Let me know if you have any comments/suggestions. Thanks!
