**Subject:** PQC updates

Everyone,

Just giving a brief reminder on our activities.

- There is no PQC meetings this week.
- We sent out our Call For Proposals to several people in the crypto group, and they are to give us comments by Friday. So far, Meltem has provided some really good comments.
- Next Tuesday (May 3<sup>rd</sup>), Jerry Solinas will give a talk to us on "State Management for Hash Based Signatures" by David McGrew et al.

Thanks,  
Dustin
