Subject: Item to be published in the FRN

Vickie,

We have an item we'd like to get published in the Federal Register. We've had the lawyers sign off on it, and Andy tells me you're the person who helps us do the next step? I've attached the document to this email. We also need to know exactly what day it will be published, as we will be posting some other stuff on our website to appear simultaneously with the Federal Register Notice.

Thanks,

Dustin
