Dustin,

Thanks for the invitation; I'll plan to come in for the meeting.

Morrie,

Lily told me you had some concerns about our paragraph dealing with hybrid modes in our post-quantum Call For Proposals. We agree we need to better understand what we want to say. We're going to be going over some of our outstanding issues with our current draft of the Call, including hybrid modes, next Tuesday (5/24) at 10am. Would you be able to meet with us then? Or call in?

Thanks,

Dustin
