Dear Friends and Colleagues,

we would like to inform you that, following several requests, the deadline for submitting contributed talks and posters to the PQCifris School & Workshop on Post-Quantum Cryptography has been extended by one week. The new deadline is **August 26**.

PQCifris 2022 aims at bringing together students and researchers interested in post-quantum cryptography, introducing the topic, and offering the opportunity to present and discuss recent advances in the current research, all in the beautiful setting of the [Italian alps](#).

The School begins on Monday October 10th and terminates on Wednesday October 12th, followed by the Workshop from Wednesday 12th till Friday 14th.

You can find more information on the [website of the event](#) and you are invited to follow the [Telegram channel of PQCifris2022](#) to stay updated.

Please share this mail with your colleagues and whomever you believe is interested in Post-Quantum Cryptography.

Looking forward to seeing you in Trento!

Cheers,

the Chairs of PQCifris 2022 - Marco Baldi, Carla Mascia and Alessio Meneghetti
