Lily,

We are having an internal PQC meeting tomorrow. 10am.

Dustin

I think Yi-Kai and Stephen might not be there, because they have something at Univ. of Maryland, but you, me, Ray, Rene, and maybe Daniel attend.

Subject: Your visit to NIST

Hi, Scott:

We talked about for you to visit us Jan. 12, since we thought there might be a PQC seminar on that date. It turned out that we do not have seminar tomorrow morning. If you still plan to visit us tomorrow, you can come in the afternoon, say 1:00 pm. I have scheduled your visit meeting with Elaine and Dustin. But if you rather to come in a date when a seminar is schedule, we can re-schedule meeting.

Please let me know. I will enter your visit pass.

Thanks,

Lily
