Yes, the conference call will not be regular.

Okay – now I understand. I'll send a standing invitation to hold for PQC on Tuesday mornings.

I mean our internal meeting.

The conference call will not happen regularly, right?

I will make PQC meeting as my high priority by all means. But if other people can see my calendar, they will schedule other time.

Thanks,

Lily

Let me know what Elaine says.

I suggest we schedule early. If we do not use it, we can always cancel it.

Are you talking about our internal PQC meeting? Or the conference call with the CRFG chairs?

Dustin:

A 56A meeting is scheduled at the same time. I will ask Elaine to see if we can change. Based on yesterday's response, the current meeting schedule is probably the one possible for everyone.

I suggest we schedule early. If we do not use it, we can always cancel it.
