You don't know if you'll be here tomorrow or not? When do you find out?

Jacob,

Is there any times tomorrow that work (or don't work) for you? Stephen isn't here today, and I don't think Yi-Kai is either (he hasn't responded yet, but his office is closed).

Dustin

**Subject:** Quick discussion on PQC security posts in pqc-forum

I think it would be a good idea to talk about some of the posts we've had this last week or two in the pqc-forum. Can we get together for a short discussion today or tomorrow (for whoever is available)? Most people's calendars looked pretty open, but I didn't know which days Yi-Kai/Stephen are here at NIST vs. U of Md. Let me know. Thanks,

Dustin
