I am pretty sure that we haven't received anything from Melissa yet. Tomorrow, we will ask them when Andy and I go to meet them.

Melissa will email Dustin or Lily. It's on the 11th floor, now. If we don't hear anything in 2 weeks we can contact Melissa.

Hey Vickie,

I understand there is a FRN notice, close to being published, for Dustin's PQC project. Will you be the person that receives the email from Melissa Lieberman that tells us when it will be up for public inspection and actual publication date? Or is that Lily?

I am trying to find out what date it's going to be out there to the public. THANKS!
