FYI –

One author from each paper has registered **except** those listed below. Is it OK for me to begin follow-ups? Or did you want to continue emailing with authors?

Side-channel Analysis of Lightweight Ciphers: Current Status and Future Directions

Heuser Annelie + 3 others

Any timeframe on posting the agenda? Registration closes one week from today. 49 have registered (list attached).

I am meeting with conference program team on Thursday afternoon @ 2pm to go over final details. Are any of you interested in going also? Or have questions for me to ask?

Thanks,

Sara
