Dustin,

We will be sending your presentation to Pat to upload on ISPAB webpage after the meeting.

Pat usually asks for non-pdf version.

No – that’s okay. No need to replace the handouts. I can point out the main change when I give my presentation. I’m assuming there’s still time to put the newer version on whatever computer is used for display? Thanks,

Dustin

Copies were made for handouts this morning. Do I need to replace them?
