Date: Tuesday, April 18, 2017 3:34:45 PM

Sure, we can meet then. I got a formal invite from Donna the other day with the following schedule:

Time	Activity	Description
2:00 – 2:15	Check-In and Networking	MIT Alumni to staff sign in table
2:15 – 2:30	Welcome and NCCoE Overview	MIT Alumni Club Introduction - Eric Berger NCCoE Overview - Donna Dodson, Director of NCCoE
2:30 - 3:00	Discussion Topic #1	Quantum Resistant Cryptography - Dustin Moody, NIST
3:00 – 3:30	Discussion Topic #2	Block Chain Technology - Dylan Yaga, NIST
3:30 - 3:45	<i>Break</i>	
3:45 - 4:30	NCCoE Demos	<i>Group will split into at least two groups if # of people is over 15</i> Each demo is approx. 15 minutes · Health · Energy · IOT
4:30	Closing	Wrap Up / Questions & Comments
Post-Event	Nantucket's Reef 9755 Traville Gateway Drive Rockville, MD 20850	Post-Event Social Reception

I just lists me for blockchain stuff; so I'm not sure whether she is still expecting you to speak. I doubt anyone would say no to you speaking; and I can cover my section with time for you to present any information you would like.

Could we meet at 8:30AM on Thursday? I can drop by your office.

Honestly, I haven't talk to Donna about this much, either. I suspect she's still expecting me to go, although maybe the thought now is that just you would present. Do you know?

-Andy

Hi Andy,

I will be out the rest of today and tomorrow. Thursday morning I will be in at NIST until 10am, but I have a 9:30am meeting there.

I wasn't given much direction on what to present, just what I have been working on. I have a small number of slides which explains the topic of blockchains at a high level and then dives into the rationale behind our project, the goals and expected outcomes.

Dylan,

Are you going to be at NIST tomorrow (or later today)? We should talk about Friday's MIT Club meeting and the blockchain session.

-Andy
