Per a previous email from Andy, I believe all headings and titles should have "proposed" removed. Final CFP 4.9 attached.

Please confirm,

Sara,

The NIST counsel's office sent us a few changes. They are marked in the attached file (final CFP 4.8 tracked changes). I also included a version (final CFP 4.8) without the tracked changes. I accept all their suggestions, so go ahead and make these final few changes.

I haven't heard from Andy if we can post today or tomorrow yet. So hold off posting until we hear.

Thanks!

Dustin
