Hi Stephen & Cathy –

Someone nicely dropped off the approval form in my office, and I've signed it and put it in outgoing mail (addressed to Cathy). Thanks!

Hello—

Sorry for the trouble – I'm still not clear on what steps to take. How should I get the cover sheet? When I log on to nike.nist.gov and search for the paper, I find a page for it, but I'm not sure where to go from there. (Was I supposed to get an e-mail with instructions? I don't think I got one.) Apologies if I'm missing something obvious. ☺

Hi Cathy & Stephen –

I'm new to the WERB process, so I'll need some more explanation about what to do next. (I know it involves nist.gov, but don't know beyond that. Right now I just have a copy of the paper & my comments.)

I am confused, do you have the cover sheet where you sign on the back...are you the WERB reader?...then you send the whole packet back to me.

Ok. Is there a form to use, or is a plaintext printout ok?

Hi Ms. Graham –

I just finished comments for a WERB review for a paper of Stephen Jordan's ("Fast quantum computation at arbitrarily low energy"). I'm new to this process, but I gather I'm supposed to sign off on the paper. Would you happen to know my next step? (Stephen said you might be the person to ask.)
