Hi Yi-Kai,

Thanks so much. I adjusted the language for us.

Hi Kristina,

I think it's accurate, but maybe it could be phrased more nicely. How about rewriting that sentence like this?

"The presentation topics include the latest published results and security analyses, as well as status reports on quantum computation, hash-based signatures, ..."

Thanks!

Hi Yi-Kai, Lily, and Dustin,

Please see the screenshot below. I am working with Pat O'Reilly to finalize the 2016 ITL Annual Report and came across a question from one of our reviewers about your section. Could you please let me know if this is accurate?

Thanks,

Kristina
