Hi Dustin,

Yes, I checked it. It seemed like things were in order – just as they were in the early submission – so there was no need to update the checklist.

Best,
Gorjan

Gorjan,

Did you do a review of this one? Your name is in red on the Master spreadsheet, but I didn't see an updated checklist from you. I'm pretty sure it is complete and proper, but wanted to double check with you. Thanks,

Dustin
