I got notified that it was moved while I was on travel. I wanted to wait until I got back to notify the group. I'll do that today. Once you see the message please update the site.

Yes I do. BTW – it looks like lwc-forum has been moved to google groups. Did you send anything out to the mailing list? I think I'm on the mailing list but haven't seen anything.

I can update the website with the same info as PQC's page at: <https://csrc.nist.gov/Projects/Post-Quantum-Cryptography/Email-List>
