Hi Dustin –

I'm planning to do something on multivariate crypto. Is it ok if I get back to you later this week?

I got a reading suggestion from Albrecht before and I just wrote to Daniel Smith-Tone for additional suggestions...

Sounds great! Do you have a title, or know which paper you are going to talk about, so I can send it out to everybody? Thanks.

Hi Dustin –

I just got back from CalTech. I'm looking forward to giving a talk in the PQC seminar. How is March 31st?

Carl,

Are you still give a talk for the PQC seminar? When would you like to do so?
