Sara,

Thanks for noticing. I updated it, and it's attached now. It's of course fine to wait till Lily approves it.

I will post this at some point today. Lily wanted to look through the slides first. BTW – on page 38 you talk about the pqc-forum but have the old address (w/out “list.”nist.gov). Do you want me to correct that?

Sara,

I gave a talk at Asiacrypt today, and several people asked if the slides will be available. It's probably a good idea to post them on our page. Can you do that? No rush. Thanks!

Dustin
