PI for PQC is Lily Chen, for block chain its Lee Badger.
What do you want for initiative codes? Do you want charge codes on either STRS or CYB?

Matt,

Please send me the PI and initiative codes for these.

Thanks,
Kamie

Kamie
For 773:

Post Quantum Cryptography:

Complete the first round of public submissions for PQC Standardization. Present submissions for public review at an open workshop and start cryptographic analysis on all accepted cryptographic submissions.

Completion: 6-18

Blockchain Technology:

Publish a Draft NIST Interagency Report (NISTIR) on Blockchain terminology, definition, applicable cryptography and use cases. Receive public comments and feedback on NISTIR.

Completion: 3-18

Subject: [Itl_mgmt] FY18 Critical Milestones: due COB tomorrow

Colleagues,

Please send me, by COB tomorrow, Tuesday, Sept 26, the top two FY2018 milestones for your division. My apologies for the rush. Each milestone should be a concise statement of the planned milestone, the program/initiative and the expected completion date (no later than Sept 15, 2018).

Thanks,

Kamie
