Lily,

We had 69 accepted submissions. 3 have been withdrawn, leaving 66.

46 Key Establishment schemes

24 lattice

17 code-based

5 other (2 multi-variate, 1 RSA, 1 random walk, 1 isogeny-based)

20 Signature schemes

7 multi-variate

5 lattice

3 code-based

3 hash-based (or symmetric based)

2 other (1 RSA, 1 braids)

I think this is what you were after?

Dustin
