Dear Debbie:

Thank you so much for the help! All of them are either NIST employees or NIST guest researchers. Only one visitor, Jintai Ding, is a green card holder.

If you have any question or concern, please let me know.

Lily

They have arrived and we have them in room 3D all week. Just to be sure, if there are foreign nationals (not US citizens or no green card) they will have needed to have been entered into the visitor registration system 3 days prior to their visit.

Hi Debbie,

I am wondering if there is a conference room for 10 attendees Daniel and the crypto team may use next week from 9 AM to 5 PM.

Thanks,
