Daniel,

I have you down for the following:

STRPI and TPSig (these two are in the same submission, but do 2 checklists, one for the Enc scheme, and one for the signature)

Post Quantum RSA (again do two checklists, one for signature and one for Enc/KEM)

Chrysalis (Enjoy)

Once they're done, go into the excel spreadsheet on the main Documents page of the Sharepoint site, and put your name in red, so I will know. Thanks,
