Hi, Daniel:

Just want to make sure that the travel we covered for Tsuyoshi Takagi is from Cincinnati because we assume he is visiting Jintai.

Hi, Daniel:

Your travel to Gaithersburg in March 14-18 are approved. Please make your reservation and let Vickie know. (Also please remember to bring whatever you need for an official passport when you come.)

I send you this e-mail is to tell that Jintai's and Tsuyoshi Takagi's travel from Cincinnati to Gaithersburg are also approved. (I do not know exactly which day they will come and which day they will leave that week). Please provide their e-mail information to Vickie. Usually, it takes longer to get all the paperwork in order.

Thanks and see you in March,

Lily
