Hi, Daniel,

I hope your travels went smoothly.

I found out today that we're not supposed to have our meeting until next week.

So please cancel the call for tomorrow;

Is Tuesday November 1 at 1:00 also a good time for you?

We have a bit of time for the new performance plan. Right now my priority is to do the year-end review and associated paperwork, which is due by the end of the month. Can you suggest a day/time, obviously after you return from travel?
