Got it. Thanks.

I've been following the drafts, so I'm sure I won't have any major comments. I'll get you anything I do have tomorrow.

Thank you all,

This looks great. Is it possible to do a quick call, perhaps tomorrow (perhaps not so quick).

I would like to discuss the potential to move Sphincs+ up into the finalist from alternative.

I have been read in but,..... . I would be the manager making a call if needed, on the grounds of IP concerns but want to hear and discuss.

Sorry for this late notice item and the potential consternation this might cause

Matt

Subject: draft Status Report on the 2nd Round of the NIST PQC Standardization Process

Andy (and Lily and Matt),

Our PQC team has finally finished our draft of the 2nd round report, and will be starting the process of getting it approved/WERB'ed (meaning I've sent it to Jim and Sara). I've attached a clean copy of it, which will hopefully facilitate a speedier publication. Let me know of any comments or suggestions.

Thanks,

Dustin
