If a meeting is needed, then Tuesday would work better for me. Since no meeting was scheduled before this morning, I've already organized my schedule for the rest of this week assuming there would be no meeting tomorrow. However, I could join in tomorrow if necessary.

I think so. If more people think that a talk tomorrow would be good, then I would ask you to consider that.

I think we can discuss via email.

I don't think we need to have a meeting tomorrow. Maybe on Tuesday.

Let me know if you think otherwise.

Hi Dustin,

Are we going to discuss Kyber's response tomorrow at 10 ?
