RVB has officially withdrawn, and stated that on the forum.

SRTPI has said they wish to withdraw in an email to us. I asked them to say it to the forum as well, but they haven't done so yet.

Other than RVB – who else withdrew?

I'm marking down responses on the NIST PQC Sharepoint spreadsheet Accepted PQC Submissions. So far, 20 people have responded with a "Yes" for presenting. 2 have withdrawn, and perhaps a few more might be induced to withdraw before the end of the month. I think we can anticipate potentially having up to 60 people wanting to present.

I think it probably doesn't hurt to ask about Wednesday afternoon.

Dustin,

How has the response been from submitter's regarding actually presenting their paper at the April meeting? How many have been withdrawn?

If we still want to start Wednesday, I'd like to reach out to Maria at FAU and check on their end time

Wednesday to see if it's even do-able that afternoon.
