Matt,
   Overall, I like the message and the questions it asks.   I've added some
comments/suggestions.

To help folks understand how we want them to operationally prepare now but not start upgrading
yet.
This came out of RSA last year
Attached is my first hack at some text that we will have a graphics and layout person make
presentable but I wanted to see what you thought of the words and, mostly if I am correct.
Thanks
Matt
