Subject: American Innovation and Competitiveness S.3084 signed by President
Date: Tuesday, January 10, 2017 12:35:44 PM
Attachments: [114_S3084_ENR_12-16-16.pdf](#)

On Friday, January 6, 2017 the President signed the American Innovation and Competitiveness Act, S.3084. There is a section on Cybersecurity that I wanted to make sure you all saw. Attached is the full version of the bill (**Sec. 104 Cybersecurity**, begins page 7).

-

Highlights below:

Sec. 104. Cybersecurity research.	<ul style="list-style-type: none">• Continue efforts in awareness of cyber standards for critical infrastructure.• Develop Quantum Computing/cryptography standards.• Determine Information security vulnerability, challenges and deficiencies and evaluate effectiveness of implementation of standards.• Voting. Codifies research for standards on voting security.
