Subject: D.C. Area Crypto Day will be held at NIST on Thursday, April 11

Hi all,

Details will be forthcoming on the DC Area Crypto Day website https://dcareacryptoday.wordpress.com/ at some point in the very near future, but--

D.C. Area Crypto Day, Spring 2019 will be held at **NIST** on **Thursday, April 11** -- two months from today.

We will have attendees and speakers from the surrounding area -- e.g. NIST, Univ of MD, George Mason, Johns Hopkins, Univ of Virginia, Georgetown, George Washington, US Naval Academy, etc. -- plus 2 invited speakers from outside the region -- previously: MIT, Cornell, UCLA, etc.

If you are interested in presenting a talk on research of yours, please email Dov Gordon (CC'd) to request a slot.

Also, please note: ALL attendees will be required to sign-up online (2-3 minute process) prior to the date, in order to gain access to the NIST campus. Details of the sign-up procedure can be found on the DC Area Crypto Day website in the near future.

Best,
--Daniel
