Event Information

Monday 25-Wednesday 27 February 2019

Four Seasons Hotel, 99 Union Street, Seattle, Washington 98101, USA [Map](#)

Register

Dear Tim and David

We have another exceptional i-4 (International Information Integrity Institute) Forum to look forward to in Seattle this February with all of the usual i-4 attributes of excellent content, open and honest discussion, great networking and real learnings to help build the maturity of your organisation.

As you can see from the attached agenda the topics are Member-driven, vibrant and relevant, and will be delivered by top quality speakers. The Forum starts with the Welcome Reception at 18:30 on Sunday 24 February and the main Forum sessions will run from 09.00-17.00 on Monday 25 and Tuesday 26 February at the Four Seasons Hotel. On Wednesday 27 February, Microsoft is kindly hosting the final day at their Executive Briefing Center in Redmond and we expect to finish by 15.30 when transport will be provided to the airport or back to the Four Seasons. Whilst at Microsoft you will have the opportunity to join tours of Microsoft's Cyber Defence Operations Center, Digital Crimes Unit, Visitors' Center and Employee Store.

To secure your place register for Forum 96 before Friday 8 February. Please note that the hotel room

reservation method for the Forum has recently changed – instead of booking your room directly with the hotel, you should add your desired check-in and check-out dates to the online registration system and a hotel reservation will be made for you. Please do not contact the hotel directly to make your reservations. Our discounted group room rate is \$289 (+15.6% occupancy tax and \$2 tourism fee for single occupancy).

And finally, if you think someone in your network would benefit from i-4 membership then we would be happy to offer them a guest invitation to this Forum – please let us know.

We look forward to seeing you in Seattle in February.
