Hi Carl,

Excellent. I am not sure if we have a pool of loaner phones, for some reason I think we don't. So, what you did was perfect.

Thank you for taking care of this.

Have a nice weekend,

Zuzana

Hi Zuzana –

Just FYI: I just request a loaner laptop & cell phone through iTaC. (For the laptop, I request one of from CSD's own pool of loaner laptops. For the cell phone, I requested an OSIM phone since I don't know if we have our own pool of phones.)

Hi Carl,

Yes, please follow the instructions that you found online. (Just one more thought: perhaps you should consider getting a loaner laptop as well. It might be safer.)

Hi Zuzana –

I think it would be good for me to have a loaner cell phone for the trip. It's been a while since I've requested one of those – should I just follow these instructions?

Hi Carl,

Thank you for the information. It was smart to reserve the room with the cancellation policy in place. We still don't know if there is going to be a government shutdown after December 20th, therefore, an option of cancelling the hotel without additional cost is important.

Will you have with you a cell phone that will work in China?

Thank you,

Zuzana

Sorry, that last receipt was probably hard to read because the graphics were removed – here's a different version.
